

Morning Glory

Beliefs

Morning Glory's background is non-denominational/Independent Christian Church in the Restoration Movement but we invite people of all denominations to come and serve if they agree with and can promote the following principles.

Christ is our only Savior: He is the only way to God, His grace as the only way to Salvation and the Bible as infallible and the true word of God.

We fellowship and love our brothers in every denomination, believing the Christ has one true church, (One body of true believers in Christ) and that He has His "church/body" in every single congregation. This gives us the freedom to love and share with our brothers and sisters in Christ from around the world, rejoicing in our shared beliefs and learning from our differences.

What we believe

God is real

There is one God, eternally existent in three persons: God the Father, God the Son and God the Holy Spirit, and He is completely Sovereign, Gracious, and Loving.

The Bible is True

The Bible consisting of the Old and New Testaments, is the inspired Word of God, without errors in the original documents, and is the final authority in all matters of life, faith and practice.

Jesus is Alive

Jesus is the Son of God and the Son of Man, fully God and fully man, born of a virgin, perfect in His person and eternal in His being. Jesus Christ died on a cross to rescue us from our helpless state—paying the penalty of our sin—and He rose from the dead on the third day, ascended into heaven and now sits at God's right hand as our only Mediator.

God wants to help us

The Holy Spirit convicts people of Sin, righteousness and judgment. He dwells in the universal church corporately and lives in the believer. He draws the believer closer to God, gives spiritual gifts, convicts, and enables the believer to live a godly life. He is the power of God within the believer enabling the believer to do the work he is called to do. One day, Jesus Christ will return and reconcile all to God.

Jesus Makes a Relationship with God Possible

God created the world and all things in it. Humanity was created in the image of God and was originally without sin. Because of the sin of Adam and Eve, humanity is now sinful, both by nature and by choice. Forgiveness of sins and the promise of eternal life are available to those who trust Christ as Savior and Lord. Salvation is by grace through faith in Christ alone, and cannot be earned by any work. The Bible teaches that the conversion process is as follow: hearing the message, putting faith in Christ, repenting of sin, confessing Christ, and being baptized by immersion into Christ and living a life faithful and obedience to the teachings of Christ in the New Testament.
